

Bolam v Montgomery: Where Does Medicine End & Law Begin?

Date:

Friday 10th November 2023, 3pm-6pm

Location:

The Municipal Hotel, Dale Street, Liverpool, L2 2DH

Your Speakers:

- Charles Feeny
- Charles Austin
- Jonathan Hobson ENT Consultant
- Dr Simon Minkoff GP

Following the decision of the Supreme Court in *McCulloch v Forth Valley Health Board* the time seems right to consider (or reconsider) the principles underlying consent to treatment.

The extent to which the law requires clinicians to adopt an approach to management following the guidance in *Montgomery* remains unclear presenting practical problems.

The Seminar will include discussion of the law and its implications for clinicians.

There will be an opportunity to discuss the issues arising over drinks after the seminar.
